June 1, 2013

TO WHOM IT MAY CONCERN:

The 101st Airborne Division Association, a 501 (C) (19) not-for-profit, Veterans Organization, is dedicated to supporting our veterans and the current active duty serving our country. Members of the 101st Airborne Division Association, who call Massachusetts home are planning a fishing trip out of Salisbury Massachusetts on July 9th, 2013 for about three dozen veterans who deserve this opportunity for all they have sacrificed.

In the future we hope to also provide a Whale Watch out of Gloucester, Massachusetts for the families of those who have served.

The Screaming Eagles, the most dynamic combat unit in the world today, have sacrificed repeatedly each time their country calls. Beginning in WWII and continuing through the current conflict in Afghanistan, the men and women of the 101<sup>st</sup> have always found themselves embroiled in the struggle to bring peace and keep us free. Our intent is for these two events to become at least annual events. Our goal is to show our appreciation for those from New England who have committed to serving others while serving in the military is .

We are asking for your assistance show our gratitude to the men and women who have proudly served their country past and present. Your support will ensure we provide a wonderful time for all. Your donations will express your appreciation and thanks for all their sacrifices.

Mr. Richard George and Mr Richard Kelly have been designated as the 101st Airborne Division Association representative to coordinate donations for these New England events.

Air Assault,

Wayne P. St.Louis  
Executive Secretary and Treasurer  
101<sup>st</sup> Airborne Division Association
