Dear Richard,

I want to personally thank you and the Screaming Eagles MA for the support you have provided to local veterans and their families over the past year.

Your willingness to do the heavy lifting, to provide financial support, to provide spiritual support has been a blessing to those veterans and their families. Without your continued support, we would be limited in the help we can offer, and some of our programs would languish.

Please understand that your efforts are sincerely appreciated and are more than welcomed in the future year.

My best to you and your entire organization
